Premium Quality Glass Seed Beads,
Moti Beads, Salli Beads &
Decorative Bead Supplies

ABOUT US

Based in Uttar Pradesh, India, Bageshwar Balaji Glass Beads (est. 2023) manufactures and trades high-quality glass seed beads, plastic beads, and decorative beads. We offer a wide range of colors, sizes, and finishes designed for jewelry making, fashion design, and creative craft projects.

We focus on top quality, smooth finishing, and reliable bulk supply. With strict quality control and fast delivery, we make sure you get dependable products for all your business and design needs.

MOTI BEADS

Our Moti Beads are crafted to provide a luxurious luster and smooth finish, making them ideal for traditional, bridal, and contemporary designs.

Spherical design with smooth pre-drilled holes, a rich pearlized luster, and a scratch-resistant coating that prevents fading over time.

SALLI BEADS

Designed with clean tubular cuts and high reflective quality, our Salli Beads add structure and sparkle to luxury fashion garments.

Precision-cut tubular shapes with flame-polished edges to stop thread breakage, featuring anti-oxidation inner linings for long-lasting metallic shine.

SEED BEADS

Precision-cut and crafted for delicate beadwork, our seed beads come in multiple vibrant colors and finishes that meet exact commercial standards.

High-precision micro sizing with centrally aligned holes for multi-pass needlework, built with heat-set colorfast finishes that withstand washing and wear.
